

Akuna Dragon Boat Club is a club built to cater for the community, focusing on fun fitness and friendship for the whole family. As a club we aim to open up the sport to people from all walks of life and abilities.

The name Akuna is an Australian Aboriginal word meaning flowing water and moving forward. Our emblem, the Leafy Sea Dragon was designed by Indigenous artist Christine Slabb. The logo and colours together were created by our founders Cathy and Allan, in 2009.

Akuna can be seen training on the picturesque Currumbin Creek on Saturday mornings and Monday & Wednesday evenings at the boat ramp at the back of the PBC Sports Club. **7am on Saturdays, and 5:30pm weekdays.** If you are interested in having a go we always carry spare paddles and will gladly welcome you - experienced or not.

Akuna welcomes all walks of life, cultures, fitness levels and age groups, we have a strong family atmosphere. Our members meet to train together and socialise by way of dinner nights, coffee mornings and many other social events.

We often enjoy participating in local regattas and the Qld state titles year after year, Akuna has also qualified for the National titles in 2014 and 2013, paddling on the Olympic Rowing course in Penrith! You can help us fulfill our intentions to enter another qualifying team in the future.

Three of the Akuna juniors Sienna-Stahr, Jon and Sam, were selected for the Australian Team with guidance and confidence provided to them by our expert coach, as well as support and fundraising by family, friends and fellow Akuna members.
