

Lake Dyer Dragons

The Lake Dyer Dragons was formed in September 2013, and registered officially with Dragon Boat Queensland in February 2014. We have a range of participation levels in all age groups from beginners and social paddlers to competition. You will need a willingness to improve fitness, have fun, work in a team, and occasionally get a little wet.

LOCATION: Lake Dyer, (Bill Gunn Dam), Laidley

TRAINING TIMES: See club website for summer and winter schedules and more information about the club.

Contact us today to get involved in dragon boating.
