

The Lakes District Dragon Boat Association

The Lakes District Dragon Boat Association (The Lakers) was formed in January 2006 at Forest Lake, south west of Brisbane.

The club started with the assistance of the Currumbin Dragons and a leased boat, enough paddlers to get the boat up and running, and a boatload of enthusiasm.

We currently have 24 members and our membership is growing steadily especially since our last 'Come and Try Day' in March 2014, however we are always looking for new members. At present our club trains on the lake at Forest Lake on Saturday mornings but as membership grows we plan to schedule more training sessions and on different days to better suit our members.

The possibilities for this club are endless, and anyone who is interested in having a go is welcome to come down and try. If we are out on the water, give us a wave and we will come in and pick you up.

Dragon boating is an exciting team sport that promotes teamwork, endurance and a sense of personal achievement. We cater for people of all ages from 13 to 60+.
