

Manly Dragon Boat Club

Manly Dragon Boat Club is working towards its vision of becoming a top contending Dragon Boat Club in Queensland providing a way for bayside and local residents to come together through a team sport.

The club was formed in October 2006 and over the years have achieved some amazing results.

We are ably assisted in our development with Grants from the Queensland State Gambling Community Benefit Fund and the Department of Sport and Recreation.

Manly Dragon Boat Club is based within the secure grounds of Wynnum Manly Yacht Club which provides us with exceptional facilities and a superb paddling environment.

Dragon Boat Racing is the epitome of team sport and appeals to participants of all ages and fitness levels. We have strong representation in the Grand Master (50 - 60), Masters (40 - 50) and currently developing the Premiers division (18 - 40) and Juniors (12 - 17).

We welcome enquiries from all interested parties and invite you to one of our weekend training sessions so you can experience the ethos of dragon boat racing and be enriched by this sport.
