Come along, jump on board one of our boats and experience for yourself what Dragon Boating is all about!

Welcome to the NQ Phoenix Dragon Boat Club.

We are excited to meet you!!!

Established in September 2015, we are a group of enthusiastic friendly paddlers with a common thread among us. We LOVE Dragon Boating and we hope you will too!! Fortunately our climate is perfect for paddling all year round. Whether on the ocean or on the river, if you love water, being active and making friends then this is a fabulous sport for connecting with all of those components together.

We aim to develop the sport in North Queensland to be inclusive of anyone who will get in a boat and give it a go!

Whether you are looking for something different to do, to get fit, to live a healthier, happier lifestyle or to become a competitive paddler, Dragon Boating may just be the sporting activity you have been looking for.

There is a lot to learn about Dragon Boating. Want to know more?

Come on and join us in this dynamic, vibrant sport!

Enjoy and have fun!!!
