

We Have the Fire!

Cooloola Dragon Boat Club Inc.

The Cooloola Dragon Boat Club enjoys some of the very best elements of Dragon Boating, with a keen emphasis on fun, fitness and friendship. The tranquil and beautiful waterways of Tin Can Bay enable members to train in all but the most severe weather conditions, with a variety of session times and training levels to encourage both the social paddler and the more serious competitor among us.

Although small, the club has a high profile in the community and enjoys the support of local business. It accurately reflects the Cooloola lifestyle: relaxed, enjoyable and part of a great community. The club actively supports local youth and recognizes the diverse needs of the community, aspiring to an inclusive policy, whereby the sport of Dragon Boat is offered to community members of all ages, cultures and abilities.

The Cooloola Dragon Boat Club is committed to presenting Dragon Boat throughout the Cooloola and Wide Bay districts as an exciting water sport that promotes good health, teamwork and friendship while having a boatload of fun... ask anyone at the Cooloola Club!
